FROM ORCHARDS AND HOMES SPRUNG AMERICA'S TREASURE - HOLLYWOOD BOULEVARD. FROM THE 1920S TO 1930S.

HOLLYWOOD BOULEVARD WAS THE BUSTLING CENTER FOR THE FILM BUSINESS, WHICH FLOURISHED DURING THE '20S AND '30S. THIS PLACE MATTERS! IT REFLECTS AMERICA'S GREAT CREATIVITY AND ACHIEVEMENT IN FILM.

MOVIE STUDIOS GATHERED AT THE HEART OF HOLLYWOOD. BY 1910 HOLLYWOOD HAD OVER A DOZEN. FROM THAT BUSINESSES AND SERVICES SPRUNG UP TO SUPPORT THE ARTISTS AND CRAFTSPEOPLE THAT FLOCKED TO THE AREA.

WEST END

C.E. TOBERMAN DEVELOPS "SKYSCRAPERS" WHILE SID GRAUMAN CREATES EXOTIC MOVIE PALACES - LIKE THE CHINESE AND THE EGYPTIAN THEATRES CREATING A DYNAMIC LANDSCAPE ON THE BOULEVARD.

MIDDLE

HOLLYWOOD BOULEVARD BECAME THE "FIFTH AVENUE OF THE WEST" - A STYLE CENTER ALL OF ITS OWN. A PLACE TO SEE AND BE SEEN - WHERE AN ENCOUNTER WITH A STAR WAS RIGHT AROUND THE CORNER.

EAST END

FROM A HUMBLE BARN, DE MILLE, LASKY AND GOLDWYN'S STUDIO KICKSTARTED A WORLD WIDE PHENOMENON - GREAT SPACES LIKE THE PANTAGES AND THE KNICKERBOCKER FLOURISHED.
